# SunEdison, Facing More Legal Woes, Plunges to 14-Year Low

SunEdison Inc., the worst performing renewable-energy company in the past year, fell to a 14-year low as it contends with two legal disputes.

....

That's dragging down the world's biggest clean-energy developer's already battered shares.

SunEdison slumped 31 percent to \$1.41 at the close in New York, the lowest since September 2001. The company has plunged 93 percent in the past year, the most on the WilderHill New Energy Global Innovation index of 104 members.
